Before you book, ask about her day.

A conversation about actual care, availability and what still needs arranging.

Provider / date

Dog / dates care is needed

01 Coverage

- [ ] Who will actually be here, and between which agreed times?
- [ ] What absences occur during overnight or live-in care?
- [ ] What individual care needs can this service cover?
- [ ] Who substitutes, and will that person receive the same handoff?

02 Care skills

- [ ] Can you follow the current written feeding and medication plan?
- [ ] Can you demonstrate any handling you are trained to perform?
- [ ] How will you record tasks and doses actually completed?
- [ ] What will you do if food or medicine is refused or uncertain?

03 Backup + emergencies

- [ ] Who do you contact if the owner cannot be reached?
- [ ] Which clinic, transport and clinic-specific authority are arranged?
- [ ] How will you report changes or a gap in coverage?
- [ ] What must be clarified or practiced before the booking starts?

Agreed / needs a demonstration / cannot provide / follow-up questions

> Confirm special care with your veterinary team. This checklist does not verify credentials or make a service suitable for every dog.

Basis: AAHA, “Essential Pet Sitter Instructions” and “Senior Care Kits.” No medical or legal authorization is created by this sheet.
