SENIOR DOG DAILY / WEEKLY CARE ROTA

A little more room for both of you.

Agree the coverage. Name the person. Leave room to rest.

Dog / household

Week beginning / time zone

Day	Agreed coverage window(s)	Lead person	Backup / confirmed?	My protected rest / helper	Handoff / changes
Monday					
Tuesday					
Wednesday					
Thursday					
Friday					
Saturday					
Sunday					

Still uncovered / who will follow up?

Where we keep the individual care and medication instructions

A name in a box is a request until the person agrees. Use your dog's existing veterinary plan to set care needs; this rota sets no treatment times or safe time alone.

A small, confirmed piece of help is a place to begin.
